

Why Should I Book a Room at the Conference Hotel?

When booking your hotel for the CAGP conference, you may find lots of choices besides the conference hotel where you might stay. And yes, some of them have a lower room rate. However, before you book, we'd like you to consider the benefits of booking at the official conference hotel.

Here are the top reasons why we encourage you to book your accommodation in the room block at the hotel where the CAGP conference is taking place:

1. Added Networking and Social Time with Other Delegates

One of the key reasons people attend conferences is to meet other like-minded delegates. By staying at the conference hotel, you enhance your opportunities to meet with colleagues and share experiences and ideas. It also ensures you don't miss out on additional activities.

2. Best Available Rates Are Secured for Quality Rooms

CAGP has invested time and effort to negotiate the best rate available over the time period of the conference. In addition, the hotel has provided a simple, quick and efficient way to book your hotel room at the conference rate and works with CAGP to ensure delegates receive the type and service associated with that room.

3. Special Guest Status

As a delegate booked into the conference hotel within the room block, you are considered a special guest by the hotel. Guests at the hotel receive preferred service and benefit from the additional concessions negotiated by CAGP and the hotel.

4. Keeping the CAGP Conference Viable

Making a booking at the hotel where the CAGP conference is taking place not only benefits you, it also has a significant impact on the Association. CAGP has negotiated numerous concessions and benefits with the hotel and many are based on ensuring delegates stay at the conference hotel. If we don't meet our commitment to the hotel, CAGP could be financially responsible for lost revenue owed to the hotel.

5. Quality vs Bargains

Hotels that sell rooms on a discount website are looking to sell rooms that they may not otherwise have sold – rooms by the elevator, parking garage or ice machine. Not the top of the line in their inventory.

Staying at the conference hotel does have its benefits. We hope you consider them before you make your hotel booking.
